

SHORTHORN SALE

Monday

December 10, 1966

**At Elmcrest Farm
PAWNEE, ILLINOIS**

Sangamon District

"WHERE THE SHORTHORN IS KING"

**With a Special Draft
From Dr. Arthur H. Wieland's**

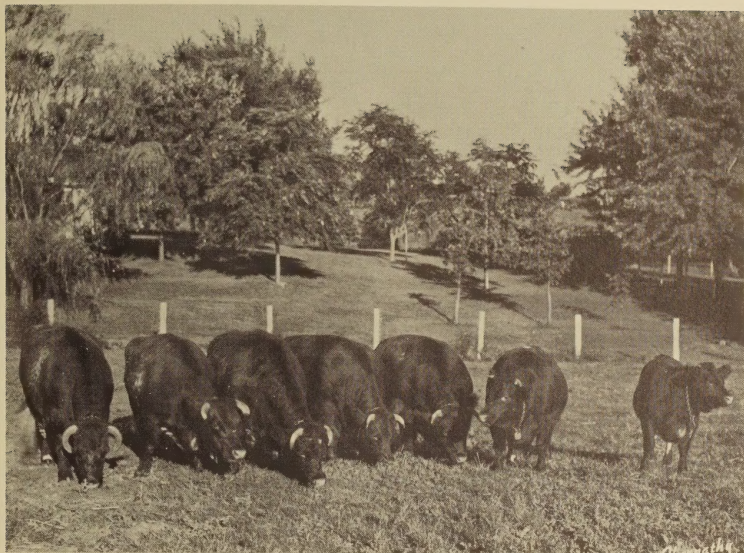

**ELMCREST FARM
HERD REDUCTION**

DUTCH-TREAT DINNER

An annual feature of the Sangamon District Shorthorn Ass'n sale is the Dutch-treat dinner the night before. This year it will be held at 7 p.m. December 9 in the Holiday Inn East, Springfield, Ill. The Holiday can be reached by taking the Springfield by-pass and exiting at Linn street. Speaker for the evening will be C. D. Swaffar, executive secretary of the American Shorthorn Ass'n, Omaha, Neb. A brief but hard-hitting program is planned, but there will be no formal business meeting.

On the Front Cover

Above is Leveldale Princeps, the International grand champion senior stock bull at Elmcrest Farms. Below is Elmcrest Diadem the imported-in-dam International junior champion also in service at Elmcrest. Both are sires and service sires of much of the offering.

Above are many of the members of the famed Craigeassie Rosewood Peach family at Elmcrest Farm. The foundation cow that was Perth grand champion in 1955 is at left. Two members of this world-famous tribe sell — the first ever to leave Elmcrest.

SANGAMON DISTRICT ASS'N

Shorthorn Sale

Featuring a special herd reduction from

Elmcrest Farm

117 HEAD

12 Bulls

67 Females

26 Club Calves

SATURDAY, DECEMBER 10, 1966

At Dr. Arthur H. Weiland's Elmcrest Farm
20 miles south of Springfield near Pawnee, Ill.

General Information

TIME AND LOCATION — This auction sale will be held in the comfortable sale pavilion at Elmcrest Farm, 1½ miles northeast of Pawnee, Illinois, which is 20 miles south of Springfield, Illinois, on Saturday, December 10, 1966. It is easy to ship cattle in any direction from Elmcrest Farm by truck or rail. Trains or planes will be met in Springfield if advance notice is given. Call Ralph Edge, Manager, Elmcrest Farm, Pawnee, Illinois. The phone number is Pawnee 4147. The sale will start promptly at 11:30 A.M. Central Standard Time. Lunch will be served at the farm.

SALE HEADQUARTERS — The Holiday Inn East, Springfield, Illinois.

BANQUET — A Dutch-treat dinner will be held at 7 p.m., December 9 in the Holiday Inn East motel, Springfield, Ill.

GUARANTEE — The cattle are being sold under the Standard Guarantee endorsed by the American Shorthorn Assn. A condition of this guarantee is that notification of failure to breed must be made by purchaser to the seller within six months of the date of this sale. A certificate of registry will be furnished with each animal sold. Applications for each animal sold in dam. Where footnotes appear they were furnished by the consignors or written from information supplied by the consignors.

The above guarantee shall constitute a contract between the consignor and buyer of each lot. The Sangamon District Shorthorn Assn., the sale manager, the clerks, auctioneers, helpers, assume no liability for the contract or accidents. No liability for accidents is assumed by Elmcrest Farm or any other person connected with this sale. All persons attending this cattle auction do so at their own risk.

HEALTH — The cattle are being sold under the health regulations of the State of Illinois. Except in the cases of Certified or Accredited Herds, or vaccinated animals under the minimum age, all cattle will be tested for T.B. and Bang's. Health papers will be provided. All buyers must be aware of any deviations between the rules of their states and those of Illinois.

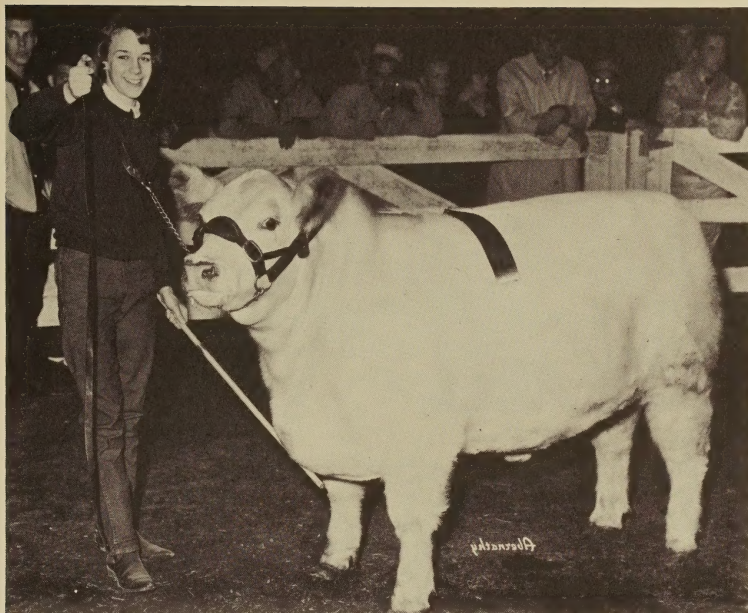

MAIL BIDS — Those wishing to buy at this sale who cannot be present may send their bids to Harris Simons or Dwayne Dietz, The Shorthorn World, 16 So. Locust St., Aurora, Ill. 60506, to C. D. Swaffar Secretary, American Shorthorn Assn., 8288 Hascall Street, Omaha, Nebraska 68124, or to any of the auctioneers or consignors.

THE SALE MANAGER, Harris Simons, 16 S. Locust St., Aurora, Illinois, was retained for specific tasks, promotional and clerical, and assumes no liability for the contract or accidents that may occur, or errors in the health charts.

AUCTIONEERS — Don Smock, Whiteland, Ind.; H. P. Miller, Danvers, Ill.; Bill Gaule, Springfield, Ill.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but reasonable assistance will be given in loading on cars or trucks in compliance with instructions from purchasers.

This sale is held under the auspices of the
Sangamon District Shorthorn Breeders' Association

26 STEERS SELL

Starting at 11:30 a.m.

About 26 steer calves will be sold. All are from excellent herds whose productions have done well for their new owners in the past.

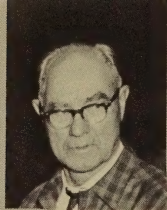

CLUB CALF SALE CONSIGNORS

RALPH BIVIN, Waverly
 RAE V. GUTH, Washington
 RONALD MURPHY, Virginia
 W. H. VAN METER, Elkhart
 HAROLD W. HAMANN,
 Carlinville
 ROBERT McDEVITT,
 New Berlin
 H. S. HUNTER, Kane

MERL L. WELCH, Lake Fork
 WILLIAM CAMPBELL,
 Williamsville
 TOM REEDY, Lovington
 KALLAL & DARR, Jerseyville
 FRED LA KAMP & SON,
 Jacksonville
 RUSSELL WHITE, Pawnee

Three \$50 Gift Certificates

Three \$50 gift certificates will be awarded to juniors attending the sale. Boys and girls should register upon arrival. A drawing will be held at the start of the sale. These certificates can apply to the purchase of either club calves or breeding cattle, but they are void if not used in the 1966 Sangamon Sale.

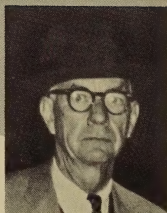

Dr. Arthur Weiland has been what I consider a constructive breeder. He has always tried to buy nothing but the best for his breeding program. Whether it is a herd bull or a foundation female, he has not held back on the price.

He once gave me an order to buy the best heifers available in Scotland. When I asked what he wanted to invest, he answered, "Just buy them." I bought Banchory Ury Maid as a young heifer at 550 gns. or \$1,650. On another trip to Scotland, I purchased Craigeassie Rosewood Peach at 600 gns. or \$1,800. Both have proven to be great investments.

I will say that if a few more breeders followed Dr. Weiland's thinking, the Shorthorn business would be in a stronger position.

I heartily recommend his cattle to anyone who wishes to improve his standing in the business.

L. E. Mathers
Les Mathers

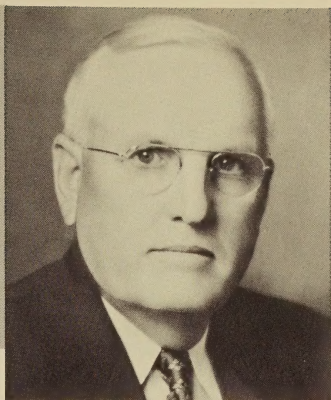

For many years Dr. Arthur Weiland has enjoyed a prominent place in Shorthorn affairs in Illinois and the nation. As the spark behind the lively Sangamon District Shorthorn Assn; he is held in high regard by all his friends and neighbors. In addition, his vast ranching operations in the Florida Everglades and the Jim River Valley of South Dakota are profitable business enterprises where the emphasis is on sound, economical Shorthorns.

At Elmcrest he has assembled one of the nation's foremost Shorthorn herds. Good bulls are the key to any top herd and Elmcrest has been blessed with a succession of the best for the last 20 years. With great care the foundation females have been selected from throughout North America and Great Britain. Their productions at Elmcrest are their best recommendation.

Although we hate to see the Elmcrest herd reduced, we are sure that their productions will do as well for their new owners as they have done for us. Several are in the Melbourne herd today including the \$1,450 Elmcrest Harteta, the Illinois State Fair first-prize winner.

We at Melbourne are proud of our Elmcrest females. Those selling on December 10 can do equally well for you. I hope to see you at
John Alexander, Sr.
Melbourne Farm

Welcome To Elmcrest And Sangamon

DR. ARTHUR H. WEILAND

For personal business reasons it has become necessary to reduce the cattle operation at Elmcrest Farm. For this purpose, we have combined an Elmcrest reduction sale with the annual Sangamon District Shorthorn Sale to be held at Elmcrest Farm, December 10.

We feel that our breeding herd is in its highest state of production and we will very reluctantly part with some of those individuals that we are offering. This group will comprise, to a large extent, the heart of our breeding herd, in addition to several young open heifers. The vast majority of those listed originate from imported stock which was procured in Scotland at a considerable financial outlay. There will be one or two exceptional imported females in the group. There will be none offered for sale that is not safe in calf with the exception of the open heifers and those that have young calves at foot.

Since 1947, when we purchased the International grand champion, Kelbourne Banker Royal for \$9,200, we have used a succession of great bulls at Elmcrest. Next, came Phopachy Huntsman purchased at Perth in 1952, at \$6,000. We feel that he did us a tremendous amount of good, particularly in the females that he left us. Next, came Leveldale Capital, a son of Leveldale Basis, at a cost of \$7,200, probably one of the outstanding breeding bulls in the country. Next was Leveldale Princeps, the 1959 International grand champion at a cost of \$6,700. Many of his outstanding daughters are in the list of sale animals and others will carry his service.

Roy Watherston, in Scotland, purchased for us a top female by Bapton Northward Bound bred to the great herd sire Calrossie Diadem. She produced Elmcrest Diadem, the 1961 International junior champion. There will be a number of Diadem's daughters in the sale and others will carry his service. Finally, we have Elmcrest White Eagle sired by Leveldale Princeps and out of Diadem's dam. There will be two of his get in the sale and others will carry his service.

In 1955, Les Mathers was able to buy for us at Perth the grand champion female Craigessie Rosewood Peach. From that beginning, we have been able to develop a wonderful family of Rosewood Peach females. Regardless of the bulls mated to these females, they have all produced wonderful offspring and practically all of them have been in our show herd. Two years ago, Elmcrest Rosewood Peach 2nd was the grand champion female at the Illinois State Fair and also an All-American choice. Last year, a full sister Elmcrest Rosewood Peach 3rd, was the two-year-old winner in a strong class at the Illinois State Fair and also an All American selection. Elmcrest Rosewood Peach 5th was the winner of the senior yearling class at the Illinois State Fair in 1966. Two of this illustrious family are in this sale. Some of these females will be presented in pasture condition because of their advanced pregnancy status.

We offer these cattle with great pride and we anxiously await your visit to Elmcrest where we, and the other members of the Sangamon District Assn., will do our best to make your visit a pleasant one.

Cordially,

Dr. Arthur H. Weiland

Four members of the famous Elmcrest Rosewood Peach family are from left, Elmcrest Rosewood Peach 6th, Elmcrest Rosewood Peach, Elmcrest Rosewood Peach 2nd and Craigeassie Rosewood Peach the Perth champion female that founded the family. Elmcrest Rosewood Peach 6th sells as Lot 13.

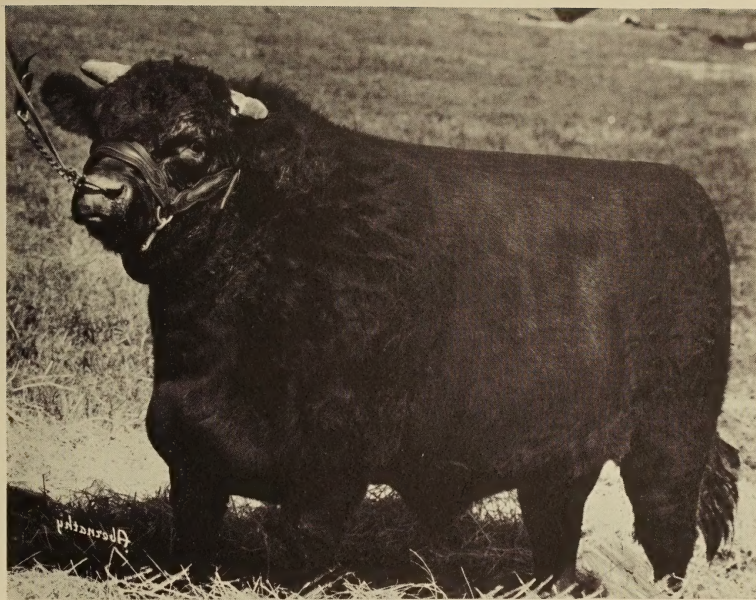

Elmcrest Synonymous with Quality –

There can be little doubt about Elmcrest's pre-eminence among the smaller herds of the nation. For 20 years a succession of the breed's best stock bulls have ruled the pastures and the herd has been further strengthened by several importations from Scotland.

Today the quality of the herd and its nation-wide reputation are an established fact. They have exhibited champions at the Illinois State Fair and the International Livestock Exhibition—the year's two biggest Shorthorn shows. Annually their best are saved for the Sangamon District Sale where they are always the tops. In the hands of others their productions do exceptionally well—like Elmcrest Augusta Marteta, dam of the 1966 American Royal and Illinois State Fair champion female. And, most important of all, their customers come back again and again for good cattle, priced sensibly.

Now, for personal business reasons, the Elmcrest herd must be reduced. Here is a rare opportunity to buy females straight from the producing unit. Only those with calves at foot or checked safe in calf will be sold.

They are sound individuals with impeccable pedigrees. For the far-sighted Shorthorn or Polled Shorthorn breeder they present real investments in the future excellence of his own cattle.

PIN OAK UPPERCLASS — A typical Calrossie Guthrie bull — good headed with heavy bone and quarters. Out of one of our good Rosewood cows by Brown-Forman Braemar. Upperclass was George's junior calf in 1965 and was unbeaten in seven shows. In 1966 as a junior yearling he was reserve grand champion over all breeds. His stallmate was grand champion at our county fair.

Elmcrest Rosewood Peach 2nd was grand champion at the 1964 Illinois State Fair and reserve All-American. She is a daughter of Leveldale Princeps and the dam of Lot 13.

Elmcrest Rosewood Peach 3rd was first prize two-year-old at the 1965 Illinois State Fair. She is a daughter of Leveldale Princeps and sells as Lot 14.

Elmcrest Rosewood Peach 4th was second-prize senior yearling at the 1965 Illinois State Fair. She is by Leveldale Princeps and out of the Perth champion Craigeassie Rosewood Peach.

Elmcrest Rosewood Peach 5th was reserve grand champion of the 1966 Land of Lincoln show at the Illinois State Fair. She is by Elmcrest Diadem and out of Craigeassie Rosewood Peach.

Craigieassie Rosewood Peach

Dark Roan, I. B. Walker

ELMCREST ROSEWOOD PEACH 6th — This is a very pleasing member of our famous Rosewood Peach family by Elmcrest Diadem and out of the 1964 Illinois State Fair grand champion female, she by Leveldale Princeps. There will be few better-bred females than this one offered for sale this year. She was bred to Leveldale Princeps on July 11 and has been examined and pronounced safe in calf.

ELMCREST ROSEWOOD PEACH 3rd — This is undoubtedly the top female we have ever offered for sale. She is the first representative of our famous Rosewood Peach family to leave this place and we are exceedingly reluctant to see her go. We have had innumerable opportunities to sell her at an excellent price but we desired to keep her as an added attraction for this sale. She was the two-year-old champion at the 1965 Illinois State Fair and was an All-American nominee. She is a full sister to the Illinois grand champion female of 1964. She is due to calve to the service of Elmcrest Diadem on Christmas Day. I am confident that no better Shorthorn female will be sold in America this year.

Elmcrest Diadem, the International junior champion stock bull in service at Elmcrest is out of Glamis Mona Crocus.

Elmcrest White Eagle, junior stock bull at Elmcrest, is out of Glamis Mona Crocus and sired by the International grand champion Leveldale Princeps.

The Mona Crocus Family—

The Mona Crocus family deserves a special place in breed history and certainly in the history of Elmcrest that sells members of that family this year.

Glamis Mona Crocus was the dam of Elmcrest Diadem, the International junior champion bull in service at Elmcrest. She is also the dam of Elmcrest White Eagle, junior stock bull at Elmcrest.

Glamis Mona Crocus was out of Bapton Festival Queen that, with her dam (Bapton Crocus 68th), represented the breed at the Festival of Great Britain in 1951.

Bapton Festival Queen was the dam of Thorn Startright, the \$13,800 Perth first-prize winner.

Festival Queen also produced Bapton Crocus Gem exported to Louada and Bapton Crocus Tenley that in turn was the dam of Glen Cove Cairnbrogie, the International supreme champion bull. A son of Bapton Festival Queen, Bapton Caruso, was champion at Belfast in 1957.

Glamis Mona Crocus herself was reserve grand champion female at Perth before producing Elmcrest Diadem and Elmcrest White Eagle.

With great pride Elmcrest offers a daughter and a granddaughter of Glamis Mona Crocus in this sale.

ELMCREST MONA CROCUS — This five-year-old cow by the International grand champion is a maternal half sister to our junior herd sire Elmcrest Diadem. She will be sold in pasture condition having been very busy throughout her lifetime raising calves of which she has had four females. The last one is a beautiful red heifer calf born on September 2. Except in a reduction of our herd we would not be offering this type of cow for sale. She will be rebred.

Among those selling in the Elmcrest Herd reduction are from left, Elmcrest Broadhooks 9th, Elmcrest Lavender 3rd, (Lot 29); Elmcrest Lovely 4th (Lot 53); Elmcrest Rosewood 49th, Elmcrest Mona Crocus 5th (Lot 15); Elmcrest Princess B W (Lot 26); Elmcrest Mona Crocus 4th, Elmcrest Julia Jilt 3rd (Lot 17).

PHOPACHY QUEEN NORMA — In 1961 I asked Roy Watherston in Scotland to procure a female for me with similar breeding to that of Leveldale Cornerstone, a young bull that topped Les Mathers' sale several years ago. Accordingly he procured from Jean MacGillivray in Scotland this daughter of Crichton Pioneer out of a Bapton Northward Bound dam. She came to us bred, but unfortunately lost her calf in quarantine in Canada. Since then, however, she has had four calves for us, two males and two females. The last one we are keeping in our herd. She is bred back to the service of Elmcrest Diadem on July 5. We feel that this is an excellent opportunity to procure an imported cow of top quality.

IMPERIAL PRINCESS 14th — This is a young heifer bred by Ralph Wieber and is by Elmcrest Chieftain, a son of Leveldale Capital. Ralph Wieber has had wonderful success in selling top club calves by this bull. His sire, Leveldale Capital, was probably one of the very top breeding bulls that we have had at Elmcrest Farm. Unfortunately we procured only one crop of calves from him, among which were bulls that have been used in some of the top Shorthorn herds of this area. She is in calf since April 27 to the service of Elmcrest White Eagle.

ORANGE BLOSSOM 2nd — This cow traces from Edellyn Orange Blossom 18th that we purchased in the Miles of View dispersion as a nine-year-old cow for \$1,000. She produced four excellent heifer calves and started us on an Orange Blossom family, from which we have sold more individuals to prominent herds of this area than any other family on the place. She has had four bull calves and two heifer calves, and is bred back to Leveldale Princeps, the 1959 International grand champion bull.

AUGUSTA PRIDE 3rd — This young cow was purchased in the Mathers' sale two years ago and was Arnold & Brooks' top selling individual. She is a large, well-developed, beautiful cow and has a beautiful dark red bull calf at foot sired by Melbourne Basis. Ony in a herd reduction would this individual be offered for sale. Will be rebred.

The herds in the Sangamon District of Illinois have long been noted for their production of top quality females. These three are in the J. E. Klokenga herd, Emden.

Come to Sangamon for Choice Females —

The females in this sale have a reputation to uphold. The previous sales have seen heifers sold for moderate prices before going on to make wide reputations as brood cows, mothers of winning cattle and sale toppers.

People have come to expect quality in the female offering at the Sangamon District sale and a friendly rivalry exists between the members to come up with the best. This year the challenge is doubly hard with a powerful consignment from Elmcrest.

The members have voluntarily cut back their own consignments and selected only their very best to make this the leading regional sale of the fall.

Come early the day before the sale for a careful inspection of the offering. They will please the most discriminating.

ELMCREST LOVELY 4th — This broody white heifer was a strong addition to our show herd. See **Elmcrest White Eagle** on sale day at Elmcrest where he is junior herd sire. **E L Lovely**, the dam, is the deepest bodied cow at Elmcrest and certainly one of the best. Another of **E L Lovely's** daughters is one of **Mike Klokenga's** brood cows and combines **Kirkton Baronet** and **Aldie Bequest**. This imported **Lovely** cow family has produced many outstanding **Shorthorns** and this **Lovely** will be no exception with her size, bone, wide clean muzzle, natural fleshing and smoothness. She is bred to **Elmcrest Diadem**. The calf will carry the blood of **Leveldale Princeps** and **Elmcrest Diadem**, the cross which has given Elmcrest many of its best.

Lawton Winner was top-selling bull at the 1962 Perth sale at \$18,000. Lot 54 is a daughter.

Mario's Lovely Lou

Red, Berl A. Wilson

B S F LOVELY LOU — Selected for our 1967 show string, she is sold strictly as a sale attraction. She is truly an outstanding prospect with depth of body, strong bone, good legs, symmetry and thickness. An extremely smooth steer by Tempel Model derressed out 66%. This young prospect has the same overall smoothness and style. Kinellar Refiner made a great record at Temple Farms. He was International Congress Sale champion and sold at \$6,000. Camilla Wimple is from the prolific Saltoun Wimple cow tribe that recently produced the \$17,200 Louada Zenith and Westdrums Wayfarer. Wilson's Modest Senator sired more winning steers in the junior, open and carcass shows at the International than any other Shorthorn bull. Included are the 1956 reserve interbreed carcass award, 1959 champion Shorthorn steer of the open show, and the 1961 champion Shorthorn steer of the junior show as well as numerous first, second and third-prize steers in both the junior and open shows.

PIN OAK LADY GLOSTER 35th — Another daughter of Calrossie Guthrie that is too young to show her true worth. She is a little thin because she was raised by her mother that is 14 years old. We have six heifers in the herd out of our old Lady Gloster and they are our best brood cows. Pre-tested and vaccinated for Bang's. Vaccinated for Lepto.

BoWood Radcliffe sired many of the best in former Sangamon District and Pike County sales. Lot 77 is a daughter.

Lot 77, Female

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
